

Cleveland Joey Scout Update

The Joey Scout Mob has had a great year. In 2019, the Mob was led by Rochelle Voller, ably assisted by Sue Sparrow and Merrill Ovendon. The Mob attended Hop Hop Splash in May and worked on their Environment badges through the year. In 2019 there were approx 5 Joeys attending each week. Sadly, at the end of 2019 Rochelle took a new position at work and had to leave Scouting.

This gave us the opportunity to welcome new leaders, Tara Froelich (Bilby) and Tammy Becker (Taz), with Sue still assisting. There are now 10 members of the Joey Mob and two Joeys who have started visits to the group with the aim to join as members when groups resume at the den. There is also a waitlist for further Joey Scouts so we would predict that numbers stay around 12 while Tara and Tammy are training as leaders. Tara attended part of the Hop Along to understand more about the new program.

Since scouting-at-home started, the online attendance has been good and last week we had 11 children join. Weekly emails and home challenges are sent out and the group has their own Facebook page to share activities while scouting-at-home.

We look forward to being able to run face-to-face programs again soon.
